

--for immediate release--

The Collinsville Band Program is proud to announce the recent State-level OSSAA achievement.

The Collinsville High School Band earned a "Superior" rating at the OSSAA State Contest at Jenks Performing Arts Center both on stage performance and in sight-reading on April 9, 2013. The band performed John Philip Sousa's march entitled, "The High School Cadets," and "Canzona" by Peter Mennin.

The high school concert band is one of only four bands that received straight "1" (superior ratings) from all six judges that day. Six out-of-state judges provide the panel and jury all high school bands for the state band contest, and are highly acclaimed in their respective band profession.

Congratulations to all of our students, their dedication, hard work, and support from the community.

The Collinsville Band Program has approved this press release.
