Mr. Lance West, Superintendent  
Collinsville Public Schools  
1902 W. Maple  
Collinsville, OK 74021

Dear Mr. West:

We wish to express our most sincere gratitude for the wonderful Veterans Day event hosted by the Collinsville Public Schools.

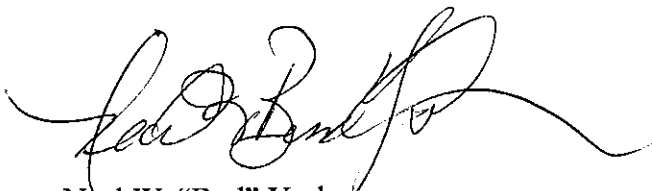

It certainly warmed the heart to be so fortunate to attend such an amazing event and observe the fellowship and comradery that blossomed and spread among those in attendance. The atmosphere was inviting and all were made to feel welcome and at home.

The young ladies and gentlemen who served as our wait staff conducted themselves in a manner of the highest caliber and the pride they exhibited in their tasks was quite obvious. The quality of the meal served was excellent, and highly reflective of the competence and abilities of your food service staff. Both the meal presentation and its flavor were simply outstanding.

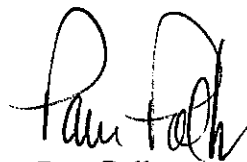

Finally, we wish to compliment the entire staff and faculty as well as the student body for their efforts in the production of all the events.

Cardinal Pride was on display at every turn and the genuine enthusiasm for our community and veterans was very evident.

Therefore, we extend to you on behalf of the City of Collinsville, our thanks and congratulations for a job well done!
