Cardinal Students, families, and patrons,

I hope this version of our TWEET finds you and your family doing well. We have had a very good start to the 2016-17 school year and we appreciate all of your support and cooperation in helping us be successful!

Because we have so many great and exciting things happening throughout our district, I wanted to make sure and invite you to follow our district on Twitter and Instagram, Collinsville Schools @OKCardinalChirp. You will also find that all of the buildings and most of our activities and organizations within our district have Twitter accounts as well. Please also use our website [www.collinsville.k12.ok.us](http://www.collinsville.k12.ok.us), for more static information including specific building, calendar, and district information. For more "up-to-date" news involving our daily activities in our district, go to [www.cvilleok.com](http://www.cvilleok.com) and click on the "School News Index" tab at the top of the page. In addition to these sites, we also have a mobile app available at <http://www.myschoolway.com/collinsville>.

Our goal through all of this is to use the various forms of media and resources to get as much information that we can to our school families and friends in the most efficient and effective ways. We will still be using our TWEET but will be doing it on a monthly basis. I really do hope that these resources are helpful to you as we continue to work hard at providing information involving our school. Thank you so much for partnering with us as a district and giving us the opportunity to be a part of you and your student's life.

It is good to be a Cardinal!

Lance West  
Superintendent, Collinsville Public Schools
